

Shirley Lyle, MEd
Developmental Specialist
Acute Adolescent Partial Hospitalization Program
Western Psychiatric Institute and Clinic

Shirley Lyle is a certified teacher with a Master of Education and Bachelor of Psychology degree from the University of Pittsburgh. She has been working in the mental health field for over twelve years.

Shirley Lyle currently serves as a developmental specialist at Western Psychiatric Institute and Clinic's Acute Adolescent Partial Hospitalization Program (AAPHP). As a developmental specialist she maintains communication between treatment teams and educational facilities. She also facilitates school meetings in which schools and families partner to create an effective transition plan that meets the individual needs of students transitioning from mental health settings to educational environments.

Shirley Lyle has spoken at schools and conferences throughout Pennsylvania to educate and support those serving children and adolescents with mental health concerns. She is passionate about conserving the well-being of every individual. Thus, she strives to illuminate hope especially where despair seems inescapable.
